

A New Day Kingdom Expansion

...a call to “build and plant” Jeremiah 1:10

Central Plains Classis Annual Retreat

April 13th - 14th,

Spiritual Life Center - Wichita, Kansas

Retreat Speaker - Tim Vink

Rev. Tim Vink is based out of Zeeland, Michigan, for the last 12 years as the RCA's Senior Catalyst for Church Multiplication. He has stimulated and supported over 300 churches being started all over North America through the Lord's calling of church planters to the harvest fields. Tim serves for a season as well in a part-time capacity with his former congregation in Tulare California, where they are working on their 37th church plant in 18 years. Leadership development and church health/growth are passions too, and Tim has served as a regional strategist and classis minister in California.

Tim is a Fuller Seminary graduate of Pasadena California in 1991, and has served churches in Iowa, Michigan and California directly. For 31 years he has been engaged in equipping the saints as an apostolic-prophetic leader in the empowerment of the Holy Spirit, healing and deliverance.

Tim has three strong daughters in the Lord all in their 20's, two great son-in-laws, and two grandchildren.
