Coach Rob's House
June

Coach Rob's house has been restored from the terrible flood thanks to RCA financial support. The restoration involved gutting the house, replacing furniture, rewiring the electricity lines, buying stoves, refrigerator and more household furniture, replacing floors, etc. RCA love and leadership paved the way for his recovery. Coach Rob said he could never thank everyone enough for the love and concern.

Ministry “Legacy Never Ends Reunion” 150 or more people gathered to rekindle the fire that God sparked over a 20 yr. history. We had great food, fun & fellowship while introducing them to the CTR church vision.

July – August

Took youth to KAA from Gary, Indiana & Houston, Texas. 23 youth gave their lives to Christ and now we are developing a follow-up strategy.

Thanking God for the support
from RCA

This year has been pretty tough but much encouragement has come from the RCA and their leaders. It started at our Central Plains Classis retreat in Wichita, April 13-14. Sheila and I were encouraged by the fellowship, Dale Assink's group teaching, and Tim Vink's powerful message. We left the retreat on a journey to establish our inner city turf in two cities by taking youth to Kids Across America “KAA” in Missouri.

Our community has been experiencing a lot of murders through gang violence, but we are determined to bring God's love by building strategic relationships through our community programs. We had a ministry reunion that flames the fire of true fellowship.

What does the Living with & for Christ really mean?

What is the real purpose for me living?
 Why are so many people dying and God is not doing anything about it?
 I am doing everything right for God but God is still not answering my prayers?
 If God is just, why is he not dealing with all this prejudice that I am experiencing?
 Can God really fix my marriage because my spouse is unfaithful?

Christ the Redeemer

It is our hope that you come and fellowship. Our heart is that you experience God’s presence. We believe that this encounter will establish your life for God’s service. God’s plan and purpose for your life will expose you to his wills and ways. You are a son or daughter in Christ. We are praying for you!
