

CENTRAL PLAINS CLASSIS

Pay It Forward

EMERGENCY FUND NEED

The Central Plains family of churches is growing in Texas. God has brought 12 leaders, representing 8 ministries, into our family who are learning about the RCA and discerning their involvement with us.

The Covid-19 pandemic is causing emergency needs within their personal and ministry life. Many in their churches have lost jobs, and most do not qualify for U.S. government assistance.

OUR MULTIPLICATION TEAM AFFIRMS THE NEED TO RESPOND

Can You Help?

Many of us do qualify for the CARE ACT stimulus checks - some may still be employed and receiving income. Is it possible to commit a percentage of your stimulus check to this emergency response and become a "ministry partner" with us to support our 25 x '25 Classis vision? All of your support is tax deductible. You can safely pay directly on the website at <http://centralplainsclassis.org/donate/>
